## Introduction

Welcome to Stowupland Falcons Football Club. We hope you enjoy your time with the Falcons' family'.

Our aim here at the club is to provide a safe and enjoyable environment for you as a player, spectator, official or carer, to play and watch competitive football.

This handbook includes all our formal documents which govern our Club, including our philosophy, constitution, codes of conduct and much more. This handbook has been produced to give you a better understanding of Stowupland Falcons Football Club, what players and parents can expect from us and what we expect from you.

As a Club we have certain obligations to all those who play and watch football at our Club and this document covers those obligations. Additionally, players, parents, coaches, and official have obligation toward the club and these are clearly set out in the section of this handbook.

We want to emphasise our adherence to the FA Respect Codes of Conduct. These are nationally recognised standards that every Club has to adhere to. These can be found on the FA's website, or our website. Please take time to read these and understand your obligations toward upholding them.

As part of the signing-on process, players will be asked to indicate you have read and agree to abide by the Codes of conducts and FA Respect guidelines. It is an important statement to ensure players comply with.

As a Charter Standard Club we are committed to maintaining and improving our standards, disciplines and Codes of Conduct throughout the club.

If at any time you have concerns regarding your child, another child or the application of these Codes of Conduct then please feel free to contact any of the following people
