

The Club aim is to be.....

the best of grassroots football in Suffolk.

What does this mean.....

To provide a safe and enjoyable environment for our players, spectators, officials, parents or carer, to play and watch grassroots youth and adult football in Suffolk. To develop our players of all abilities, and without discrimination, to take part in and enjoy our national game.

What does Falcons stand for.....

Fair playing time for all players (who demonstrate the)

Attitude to compete (and)

Love playing for our Club. (Expecting)

Commitment from all (to perform as)

One team, one club (which is committed to)

Nurturing talent (and demands of its members to)

Show **RESPECT** to ALL

Fair Playing Time

Fair playing time will be given to players who consistently demonstrate commitment, effort and ability during games and training, and at all other times when representing the Club.

Turning up late, turning up tired, not working for the team, being disrespectful to Managers and other players, all may result in players not starting games, not being selected, or having reduced playing time.

Ability is a key factor in determining the amount of playing time. Our Managers are encouraged to manage their teams openly and honestly, giving constructive feedback to players (and parents). Where ability is governing the amount of playing time a player has it is vital that the player understands this through feedback.

Attitude to Compete

Football is a competitive game by its very nature. We expect all our players to compete fairly and consistently. To not to waste time during matches and to compete fairly and safely on the field of play. We want every team to be successful, but not at all costs.

Love playing for our Club

Turning up and playing for our Club should be enjoyable for our players. They should want to wear the Falcons kit and want to play the very best they can at every match and training session.

Commitment from all

A team only wins when there is commitment from all. Results depend on a single team approach and everyone working for that team, either at matches or during training. We want every player and Club official to be committed to our Club.

One team, One Club

Work as one team when playing and training and come together as one Club to drive our National game. Be proud to be part of that one team, and our one Club.

Nurturing Talent

We will nurture our player's talents by providing the best possible coaching and facilities we are able to. We will help players move on to higher standards of football, even if that means we lose that talent. We are committed to make sure no talent is wasted for the good of our national game.

Show RESPECT to all

RESPECT is the foundation of our philosophy. We are not tolerant of bad language and bad behaviour, on or off the field of play. We will support all those who abide by our philosophy and we will educate and take action against those who do not.
